

Bob Hughf

Director

- Appointed March 14, 2007
- Committee Membership: Governance, Program & Standards

Bob was born in the north east of England quite some time ago. He apprenticed as a tool and die maker in England between 1967-1971. He was the mentor for the competency component of the apprenticeship training program at his work site. He emigrated to Canada in 1975 and worked in the millwright trade for 14 ½ years in Prince Albert and Calgary. He was the mentor for apprentices with on the job training. He became a representative of the Canadian Paperworkers Union in 1989 working in Saskatchewan and Alberta. He is presently a representative for the Communications, Energy and Paperworkers Union of Canada servicing out of Vancouver.

He has co-chaired the CEP/PPWC ITAC Committee, been a member of the steering committee for the new Industrial Electrician program in BC, and worked on the Millwright and Instrumentation review committees.
