

Margot Middleton

Director

- Appointed May, 2011
- Committee Membership: Training

Margot was born and raised in the Okanagan Mission area of Kelowna and re-located to Kamloops in 1976. She is the president of Middleton Petroleum Services (since 1987), a small business operating in the retail & commercial fuel sector, primarily as a maintenance, installation and electrical contractor.

Margot currently serves on the board of the BC Petroleum Contractors Association and has been actively involved on a steering committee to set up a certification program for Petroleum Technicians and Installers.

Margot was the mayor of Kelowna Teen Town in the early 70's, a Brownie & Girl Guide leader in the 80's, and an executive member of the Kamloops Minor Hockey Association in the 90's.

Margot is a firm believer that a prosperous future for young people today can be found in the trades.
