

## Mike Agg

### *Director*

- Appointed March 14, 2007
- Committee Membership: Finance

After five years working on the Zambian Copperbelt, Mike joined Teck in 1979. His career with the company has included a variety of project, maintenance, operating and sales management roles at the company's mining, fertilizer and metallurgical operations. He also spent five years as General Manager of the Cajamarquilla zinc refinery in Peru – a joint venture between Teck Cominco and Marubeni of Japan.

Currently, Mike is Senior Vice President with responsibility for the company's zinc business. Mike has a First Class Honours BSc degree in Mechanical Engineering from Imperial College, London and completed the Banff School of Advanced Management. He is a registered Professional Engineer in BC.
