

## Pat Sawatsky

### *Director*

- Appointed September 26, 2009
- Committee Membership: Program & Standards

Pat is currently the Senior General Manager responsible for Transmission and Distribution Services and has been with BC Hydro for 36 years. Pat served a Lineman apprenticeship with BC Hydro and worked as a crew leader until 1993. Pat spent 4 years working as a Trades Training Instructor, which included developing and implementing innovative energized work procedures and training electrical workers in the construction, maintenance and operation of the Transmission and Distribution systems.

Pat moved to a management position in 1997 and since that time has been in various roles including, Manager of Trades Skills Enhancement, Field Operations Manager, Construction Manager, Manager of Work Methods, Manager of Field Operations Safety and General Manager of Construction Services.

Pat has represented BC Hydro on several inter-utility technical groups focused on best practices and innovation in work methods on both the Transmission and Distribution systems. Pat has trained utility workers internationally and authored an article on bare hand work procedures for T&D Magazine.
